## **Instructions for Breeder/Herd ID Application**

### **Breeder Information**

- We request all the information be provided.
- The applicant has the choice to make it public or private on the website listing.
- We often mail information packets so your mailing address is required.
- Members fail to update contact information independently so we ask for updates annually.
- Facebook and Websites are optional and will be listed if added to the application.

### **Herd Information**

- The accuracy of these numbers is essential for the annual goat count.
- This information also assists in tracking genetics across the country.
- We request the information on where original stock is purchased regardless if the goat(s) are no longer being used for breeding. At some point these genetics were included in your herd. We would like to know the Bloodlines if possible.
- Without bloodline surety the bloodline should be listed as Pure Spanish Goat.

### **Fees**

- SGA Website Verified Breeder Listing is Free
- Annual Breeder Fee for DNA Registration, Map Listing, For Sale Ads: \$30

### **Agreement**

- I agree to participate in the Annual Goat Count, "Contact" Housekeeping and Survey.
- I will conduct myself as a member in good standing while selling, purchasing and communicating as a member of the Spanish Goat Association and/or the Spanish Goat Registry.
